

COLLINS COLLECTIVE

WORK IN THE TOP-END, WITHOUT PAYING THE TOP-END.

Collins Collective is a coworking space for professional services. Migration agents, accountants, lawyers - we want you!

Our website - as well as our space - is coming very soon. In the meantime, we'll be updating our renovations over on Facebook.

1

BEST LOCATION IN MELBOURNE

Our space is located right at the top-end of Collins St, in the heart of Melbourne's financial district. We're close to cafes, restaurants and Parliament train station.

2

WIFI, KITCHEN AND COFFEE

Collins Collective isn't just desks and chairs. We have a kitchen with free coffee and tea, couches and after-work beers every Friday.

3

CLOSE COMMUNITY

The big benefit to coworking is meeting people who can help with your business. Regardless of your profession, we'll introduce you around to our members and make you feel at home.
